Dragon Quality

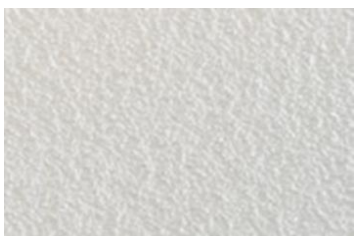

Dragon Quality 121	Description
	Hand sanding and orbital sander. Sanding of wood, paint, filler and lack.
Dragon Quality 122	Description
	Hand sanding mainly and orbital sander. Thin paper gives you good feeling by grinding painted surfaces before the next paint application. Sanding of wood, paint, filler and lack. Less flexible bonding.
Dragon Quality 123	Description
	Hand sanding mainly and orbital sander. Sanding of wood, paint, filler and lack. Less flexible bonding.

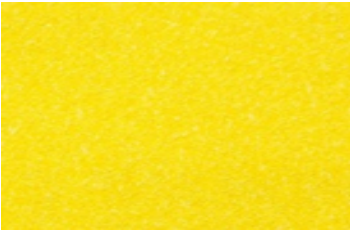

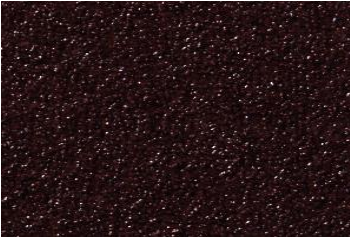

Dragon Quality	124	Description
		Hand sanding, orbital sander, excentric sander, sanding block. Sanding of wood, paint, filler, car body, PVC. A product with cured abrasive grains. Super flexible bonding, do not break in bending.

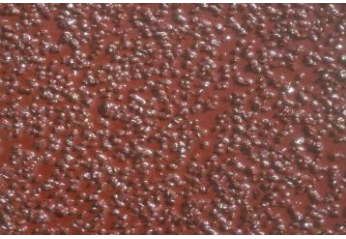

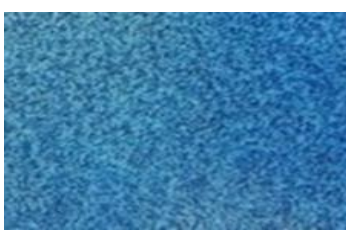

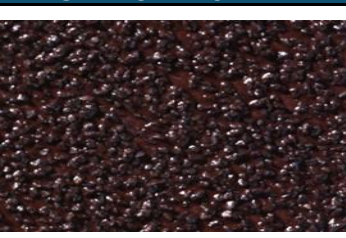

Dragon Quality	125 Y	Description
		Hand sanding and orbital sander. Sanding of wood, paint, filler and lack. E-weight thick paper makes Dragon 125 extremely suitable for hand sanding / grinding edges , without using hand sander .

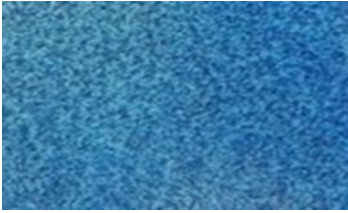

Dragon Quality	125 G	Description
		Hand sanding and orbital sander. Sanding of wood, paint, filler and lack. E-weight thick paper makes Dragon 125 extremely suitable for hand sanding / grinding edges , without using hand sander .

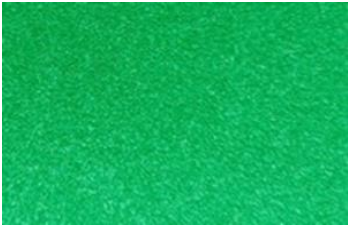

Dragon Quality	126	Description
		Hand sanding, orbital sander, excentric sander, sanding block. Sanding of wood, paint, filler, car body, PVC. A product with cured abrasive grains. Super flexible bonding, do not break in bending.

Dragon Quality	128	Description
		Hand sanding, orbital sander, excentric sander, sanding block. Sanding of wood, paint, filler, car body, PVC.

Dragon Quality 129	Description
	Hand sanding, orbital sander and excentric sander Sanding of wood, paint, filler and lack. Strong resin / resin bonding ensures a good grain adhesion and makes the product more rigid.
Dragon Quality 130	Description
	Under development Dragon 130 is extremely suitable for hand sanding. Less flexible bonding when it is bent. Cured abrasive grains gives longer lifetime Perfect quality for sanding lack and paint and can also be used for sanding wood, filler and PVC. We have chosen C-weight paper, it is important that you can feel the grinding pressure with your fingers as you normally only sand the surface ready (prepare) for the next coat of paint or varnish.
Dragon Quality 141	Description
	Water resistant abrasive paper.
Dragon Quality 312	Description
	
Dragon Quality 323	Description
	Floorsanding and other machine sanding. Reinforced F-weight paper backing.

Dragon Quality 324	Description
	Floorsanding and other machine sanding. Reinforced F-weight paper backing.
Dragon Quality 332	Description
	Floorsanding and other machine sanding. Reinforced F-weight paper backing.
Dragon Quality 400	Description
	Hand sanding and orbital sander. Sanding of wood, paint, filler and lack. Backing paper and bonding: E-weight thick paper makes Dragon 400 extremely suitable for hand sanding / grinding edges , without using hand sander. Less flexible bonding.
Dragon Quality 420	Description
	Hand sanding, orbital sander and excentric sander. Sanding of wood, paint, filler and lack. Backing paper, bonding and grain: E-weight thick paper makes Dragon 420 extremely suitable for hand sanding / grinding edges, without using hand sander and all kinds of machine grinding - especially coarser grinding. Hard resin / resin bonding and hardened abrasive grains ensures the product long lifetime.
Dragon Quality 421	Description
	Hand sanding, orbital sander and excentric sander. Sanding of wood, paint, filler and lack. Backing paper, bonding and grain: E-weight thick paper makes Dragon 421 extremely suitable for hand sanding / grinding edges, without using hand sander and all kinds of machine grinding - especially coarser grinding. Hard resin / resin bonding and hardened abrasive grains ensures the product long lifetime.

Dragon Quality	425	Description
		Hand sanding and orbital sander. Sanding of wood, paint, filler and lack. Backing paper and bonding: E-weight thick paper makes Dragon 425 extremely suitable for hand sanding / grinding edges, without using hand sander . Less flexible bonding when it is bent. Special tough grains ensures a longer "grinding / lifetime" for this paper.

Dragon Quality	436	Description
		Hand sanding and orbital sander. Sanding of wood, paint, filler and lack. Backing paper and bonding: E-weight thick paper makes Dragon 436 extremely suitable for hand sanding / grinding edges, without using hand sander.
