

The background of the cover is a collage of various abrasive products. The top section shows several rolls of yellowish-brown abrasive material. The middle section features a close-up of a brown abrasive surface with a circular pattern. The bottom section displays a variety of colored abrasive rolls, including white, green, blue, and red, arranged in a geometric pattern.

Dragon product table 2022

Get a quick overview of the main informations of each of our qualities.

Dragon quick overview

Type	Dragon Quality	Product description
113		Dragon 113 quality is normally used for hand sanding and/or orbital sander. Sanding of wood, paint, filler and lack.
	  	
Type	Dragon Quality	Product description
121		Dragon 121 quality is normally used for hand sanding and/or orbital sander. Sanding of wood, paint, filler and lack.
	  	
Type	Dragon Quality	Product description
122		Dragon 122 is made with a thinner paper backside and less flexible bonding. Hand sanding mainly and / or used for orbital sander. Sanding of wood, paint, filler and lack.
	   	
Type	Dragon Quality	Product description
123		Dragon 123 is made with a less flexible bonding. Hand sanding mainly and / or used for orbital sander.
	    	

Type	Dragon Quality	Product description
124		Dragon 124 quality is developed with a super flexible bonding so it doesn't break in the bending. Perfect for hand sanding, orbital sander, excentric sander, sanding block. Sanding of wood, paint, filler, car body, PVC.
		
125Y		Dragon 125 Y quality is normally used for hand sanding and/or with orbital sander. E-weight thick paper backside which makes it extremely suitable for grinding edges, without using hand sander. Sanding of wood, paint, filler and lack.
		
125G		Dragon 125 G quality is normally used for hand sanding and/or with orbital sander. E-weight thick paper backside which makes it extremely suitable for grinding edges, without using hand sander. Sanding of wood, paint, filler and lack.
		
126		Dragon 126 quality is developed with a super flexible bonding so it doesn't break in the bending. Perfect for hand sanding, orbital sander, excentric sander, sanding block. Sanding of wood, paint, filler, car body, PVC.
		
127		Dragon 127 is a white quality for sanding of wood, paint, filler, car body, PVC either by/with hand sanding, orbital sander, excentric sander or sanding block.
		

Type	Dragon Quality	Product description
324		Dragon 324 is made with a reinforced F-weight paper backing and are mainly used for floor sanding & other machine grinding.
	   	

Type	Dragon Quality	Product description
332		Dragon 332 is made with a reinforced F-weight paper backing and are mainly used for floor sanding & other machine grinding.
	    	

Type	Dragon Quality	Product description
333		Dragon 333 is made with a reinforced F-weight paper backing and are mainly used for floor sanding & other machine grinding.
	   	

Type	Dragon Quality	Product description
414		Dragon 414 is an extra white quality for sanding of wood, paint, filler, car body, PVC either by/with hand sanding, orbital sander, excentric sander or sanding block.
	      	

Type	Dragon Quality	Product description
421		Dragon 421 is made with a thick E-weight paper which makes it suitable for hand sanding / grinding edges without using hand sander and also it's very suitable for machine grinding especially coarser grinding. It's normally used for sanding of wood, paint, filler and lack with hand sander, orbital sander or excentric sander. To ensure longer lifetime we have used a hard resin/resin bonding and hardened abrasive grains.
	        	

Type	Dragon Quality	Product description
422		Dragon 422 is made with a thick E-weight paper which makes it suitable for hand sanding / grinding edges without using hand sander and also it's very suitable for machine grinding especially coarser grinding. It's normally used for sanding of wood, paint, filler and lack with hand sander, orbital sander or excentric sander. To ensure longer lifetime we have used a hard resin/resin bonding and hardened abrasive grains.
	        	

Type	Dragon Quality	Product description
436		Dragon 436 quality is normally used for hand sanding and/or with orbital sander. E-weight thick paper backside which makes it extremely suitable for grinding edges, without using hand sander. Sanding of wood, paint, filler and lack.
	     	

Type	Dragon Quality	Product description
532		Dragon 532 is made with a reinforced F-weight paper backing and zirconia Grain, it's mainly used for floor sanding & other machine grinding.
	    	

Type	Dragon Quality	Product description
666		Dragon 666 is made with a reinforced D/E/F-weight paper backing and are Ceramic Grain mainly used for floor sanding & other machine grinding.
	      	

Type	Dragon Quality	Product description
Green Line 2		Dragon Green Line 2 allows you to use our well-known sanding paper in environmentally friendly design with a strong focus on sustainability. Our ambition is to produce the best possible quality in as environmentally friendly materials. The paper's E weight is made of 100% recyclable paper and the glue is our well-known environmentally friendly potato starch or Starch/Starch Color: medium grey
